Research Ethics Association presents

RESEARCH ETHICS CONFERENCE 2023

6th and 7th July 2023

University of Bath, UK

1

WHAT IS IT ABOUT?

Understanding and applying ethics in academic, professional, civic, educational and charitable contexts.

2

WHAT WILL IT INVOLVE ?

Posters, presentations, workshops, discussions and networking opportunities.

3

WHAT DOES REC2023 AIM TO ACHIEVE?

To improve and apply ethics research across all stakeholders. Fostering cross-disciplinary discussions about ethical theory, practice and the interface between them.

4

HOW WILL REC2023 TAKE PLACE?

REC2023 will be both in person and online

5

HOW DO I SUBMIT AN ABSTRACT?

You can submit as an individual, symposium, panel, workshop or poster by visiting our REC2023 portal by visiting www.ethics-association.org/REC2023

6

HOW DO I REGISTER TO ATTEND?

Registration opens on the 15th February 2023. You can visit our REC2023 portal www.ethics-association.org/REC2023
